Remarks:

This application for a fire alarm system permit is governed by the current applicable CT State Statutes, CT State Building and Fire Codes, as amended, and applicable ordinances enacted by the City of West Haven.

MUNICIPAL ORDINANCE 81-8 Taxes Due

No building application shall be approved by the West Haven Building Department, (WHBD) if it is determined by the WHBD that there are delinquent taxes or sewer use charges against the property for which the application is made; the applicant is to provide to the WHBD a statement from the Office of the Tax Collector that the owner of the property for which an application is made has entered into a payment program approved by the Tax Collector to pay off the delinquent taxes or sewer use charges which may be due. As used in this section the term "building application" shall include any application for a building permit, plumbing, mechanical or electrical permit. : The Building Official shall not issue a permit where taxes are due on the subject property.

2018 CT State Building Code:
States in part and material relevance:

Section 105.3.1 ACTION ON APPLICATION reads in part: “The Building Official shall examine or cause to be examined application for permits and amendments thereto within 30 days after filing and either issue or deny a permit within such 30 day period. If the application or construction documents do not conform to the requirements of this code and pertinent laws, the Building Official shall reject such application in writing stating the reasons therefore.”

Section 105.3.1.1 ZONING APPROVAL reads in part: “No Building Permit shall be issued in whole or in part for a building use or structure subject to the zoning regulations of the municipality without certification in writing by the official charged with enforcement of such regulations that such building, use or structure is in conformity with such regulations or is a valid non-conforming use under such regulations.”

Section 105.3.1.2 FIRE MARSHAL APPROVAL reads in part: “No Building permit for a building structure or use subject to the requirements of the 2016 CT State Fire Code, [as amended], shall be issued in whole or in part without certification in writing from the local Fire Marshal that the construction documents for such building, structure, or use are in substantial compliance with the requirements of the 2016CT State Fire Code [as amended].”

IBC Section 907: FIRE ALARM SYSTEM CONSTRUCTION DOCUMENTS/SHOP DRAWINGS Shop drawings for fire alarm system (s) shall be submitted to indicate conformance to this code and the construction documents and shall be approved prior to the start of the system installation. Shop drawings shall contain all information as required by the referenced installation standards in Chapter 9. Such documents shall be accompanied by evidence of fire alarm designer qualifications as required by NFPA 72-2013.
