- Washington Elementary School K-4

**West Haven High School**

*Your child's elementary school is based on your street address. Please visit our website at [whschools.org](http://whschools.org), click the registration link for more information.*

## CELEBRATING EXCELLENCE!

Five West Haven schools have been recognized by the State Department of Education for "Outstanding Achievement" and two schools designated "Blue Ribbon Schools"!

Alma E. Pagels Elementary, Forest Elementary, Seth Haley Elementary, Savin Rock Community School, and Mackrille Elementary, were recognized as "Schools of Distinction" in mathematics.

Pagels and Seth Haley Elementary schools were also named "Schools of Distinction" in the area of Language Arts.

In addition, students at Carrigan Intermediate, Bailey Middle School and West Haven High School also achieved high marks on "Next School" and West Haven High School achieved high marks on the "Next Generation Science Assessment."

West Haven Public Schools are proud to highlight a continued commitment to excellence, evidenced by the successes of our bright and ambitious students both in the classroom and beyond. Steadfast in the belief that all children are capable of attaining high levels of achievement, we continue to "raise the bar" to elevate our expectations to meet each student's potential.

Students in any of our nine school buildings are welcomed by resourceful, innovative educators and rapidly evolving technology to assist in implementing a robust curriculum. Some of the exciting offerings in our district include:

- A brand new, state-of-the-art high school with tools such as Promethean Boards and technologically advanced science laboratories and gleaming new gymnasiums, media center and auditorium.
- Course offerings including many unique STEM courses, including biomedical and forensic studies.
- Newly renovated outdoor learning spaces to encourage both safe and stimulating learning experiences.
- Our young Westies are proud of the gorgeous athletic facilities that host statewide, multi-sport competition and tournament play.

We welcome you to the West Haven Public Schools, a community supported by the educators, staff, families and people of West Haven through a united commitment to our city's youth.
