CITY OF WEST HAVEN BUILDING PERMIT APPLICATION FOR PV SOLAR SYSTEM

Roof top? ___ Ground Mount? ___ System KW? _____ DC Grounded? _____ Service Size? _____ amps. Service upgrade included? ___ Batteries? _____
Integrated Solar Roof Shingle System? _____

Please attach the following supporting documents to this application:

- _____ Plot Plan showing all distances to structures, property lines, and the public way. Identify locations of all equipment to be installed. If other than roof mount, show distances to property lines.
- _____ Electrical 3 wire line diagram, include wire sizes, wiring methods
- _____ Sign and labeling schedule, type of material for exterior use
- _____ Structural analysis including wind loads imposed on racking system and attachment (by qualified individual)
- _____ Manufacturer's specification sheets for all proposed equipment and devices—show UL Listings.
- _____ Permission letter from HIC registrant, and copy of HIC Registration Certificate
- _____ Permission letter from E-1 (with original signature) and copy of E-1's license
- _____ Evidence of Workers Compensation Insurance (If out of State contractor, show coverage is valid in CT)
- _____ If other than 1 or 2 Family, provide Fire Marshal's Approval Letter
- _____ Load Calculations if service is being upgraded

Inspection Notes:

- 1.) If building has a cathedral ceiling or otherwise inaccessible under-roof area, inspection is required day of panel installation.
- 2.) Solar roof shingles require inspection day of installation.
- 3.) Licensed electrician with ladders and tools is recommended to be in attendance for all inspections.
- 4.) Verify existing Grounding Electrode System connection, repair if corroded or missing, jump to both sides of water meter.
- 5.) Verify two supplemental ground rods, install if missing or unverifiable.
- 6.) Provide the field tech's cell phone number when making an inspection appointment.
- 7.) Contractor to have full plan set on site, including structural modification drawings, if applicable.

This application for a building permit is governed by the current applicable CT State Statutes, CT State Building Code, as amended, and applicable ordinances enacted by the City of West Haven.
CT State Building Code:

Section 105.3.1 ACTION ON APPLICATION reads in part: "The Building Official shall examine or cause to be examined application for permits and amendments thereto within 30 days after filing and either issue or deny a permit within such 30 day period. If the application or construction documents do not conform to the requirements of this code and pertinent laws, the Building Official shall reject such application in writing stating the reasons therefore."

Section 105.3.1 ZONING APPROVAL reads in part: "No Building Permit shall be issued in whole or in part for a building use or structure subject to the zoning regulations of the municipality without certification in writing by the official charged with enforcement of such regulations that such building, use or structure is in conformity with such regulations or is a valid non-conforming use under such regulations."

Section 105.3.1.2 FIRE MARSHAL APPROVAL reads in part: "No Building permit for a building structure or use subject to the requirements of the CT State Fire Code, [as amended], shall be issued in whole or in part without certification in writing from the local Fire Marshal that the construction documents for such building, structure, or use are in substantial compliance with the requirements of the CT State Fire Code [as amended]."
