# Part II — Program Information Check the appropriate description of your program: 100% credit percentage \_X\_\_ Energy conservation; or Comprehensive college access loan forgiveness (see Conn. Gen. Stat. § 12-635(3)). 60% credit percentage \_\_\_\_ Job training/education for unemployed persons aged 50 or over; \_\_\_\_ Job training/education for persons with physical disabilities: Program serving low-income persons: \_\_\_ Child care services: \_\_\_\_\_ Establishment of a child day care facility: Open space acquisition fund; or \_\_\_ Other (specify): \_\_\_\_ Description of program: We are reconfiguring the heating system in our main building located at 227 Elm Street, currently served by radiant heat. To enhance energy efficiency, we will add forced hot air heating for more consistent and responsive temperature control. The project includes replacing 2 aging rooftop units (RTU's) that use phased-out R-22 refrigerant. The new high-efficiency RTU's will provide both heating and cooling. This upgrade will improve energy performance, reduce reliance on space heaters, and enhance occupant safety while meeting modern sustainability & energy code requirements. Need for program: Our organization is committed to providing a safe, comfortable, and energy-efficient environment for our staff and community. Unfortunately, our current HVAC units are outdated, unreliable, and no longer meet today's energy or environmental standards. With limited funding, we are unable to replace them without assistance. A grant for new high-efficiency HVAC units would not only reduce our energy costs and environmental impact, but also ensure that our space remains warm in the winter, cool in the summer, and healthy year-round. Your support would make a meaningful difference in the daily lives of everyone who walks through our doors. Neighborhood area to be served: WHCH services a) Head Start preschool for 3 & 4 year olds; b) Children and Youth Services including before and after school programs for K-6 grade students, and c) Day, Residential High School Transition programs for adults with intellectual disabilities. A grant to support the replacement of our HVAC units would directly impact hundreds of individuals: children, families, and adults with disabilities- by ensuring they have access to warm. cool, and safe spaces year-round. Your investment would not only improve efficiency and reduce operational costs, but most importantly, help us continue to provide high-quality, inclusive services to our community.

Many children present with Asthma and respiratory illness, especially during the winter months so clean air is really essentail for the population we serve. Need for program: \_\_ To operate safely for parents, children, and staff, utilizing a comprehensive safety plan. Following the guidance of our local health department and the State of CT DPH we have developed a plan to have healthier building circulation. Although we had a very thorough safety plan for health screening, enhanced cleaning, and disinfecting, we did not have a clean air filtration system. This is one of the necessary items that the CDC has highly recommended, especially for multi-use buildings, like ours. We added screens to open windows, but that is not feasible in the winter months. Providing clean air all year is essential. Neighborhood area to be served: City-Wide Plan to implement the program:

Once funding is secured, we will purchase the necessary equipment and have it installed.

## RE: Award of Delinquent Tax Lien Assignment (RFP #2025-73 Rebid)

Please consider the above-mentioned matter, to be added to the City Council agenda for the June 23, 2025, meeting. The City of West Haven solicited proposals from interested parties for the assignment of certain City's delinquent municipal tax and sewer liens pursuant to the provisions of the General Statutes of Connecticut §12-195h and in accordance with the terms of the advertised Request for Proposal. As of June 17, 2025, the amount of delinquent tax and sewer assignments is \$1,109,367.75.

The city received three proposals for RFP #2025-73(Rebid:

- 1. Tower Capital Management, \$1,245,796.25 (107.25%)
- 2. TLOA Service, LLC, \$1,190,671.97 (102.50%)
- 3. RTLF-CT II, LLC, \$1,220,990.54 (105.11%)

After careful review, by Procurement, Rachel A-Massih and I are recommending the RFP be awarded Tower Capital Management. In addition, as in past years, the proposal submitted by Tower Capital Management did not include homeowners servicing fees. In addition, Tower Capital Management submitted a higher percentage return, which is what the award is based on. Tower Capital Management approximate award for this RFP will be \$1,189,745.88 (which includes the premium amount of \$80,378.13).

Please let me know if you have any additional questions.

Sincerely,

Michael Gormany

West Haven City Council

Honorable Members,

The following Transfers are requested:

- 1. Please authorize the transfer of \$2,200,000 from the Medical Internal Service Fund (603) to the Workers Compensation Internal Service Fund (602). As presented most recently in the FY 2024 audit, the Medical Fund has been overfunded, and the Workers Comp Fund has been underfunded over many years.
- 2. Please authorize the transfer of \$346,029 from account 19009990-56010 Unallocated Contingency to account 14000010-52680 Town Aid Road. This transfer will increase this budget to the amount of Town Aid Road that the state has granted (account 10120045-45248, \$621,029) and will aid in reconciliation as well as reporting to the state.

Dorinda Borer Mayor

Rick Spreyer Chief of Staff

6/17/2025

To the members of the Council:

It is my pleasure to recommend Paula Cappuccia, RN, for appointment to the West Haven Seniors Commission. The members of the board had the opportunity to meet with Paula during the recent meeting on June 10th, and they were immediately impressed by her thoughtful engagement, professionalism, and genuine interest in serving the senior community of West Haven.

Paula brings with her a wealth of experience as a Registered Nurse, as well as a clear passion for advocacy, community involvement, and improving services for our elderly population. Her background includes retiring as a Director of Health for University of New Haven that would greatly benefit the work of the Commission. She has already expressed a willingness to contribute her time and expertise to help move important initiatives forward.

In addition to her professional qualifications, Paula's warm demeanor and collaborative spirit stood out during the meeting. She expressed appreciation for the welcoming atmosphere provided by our current commissioners and city staff and is eager to contribute to that same environment as a member of the board.

I am confident Paula will be a committed and compassionate addition to the Seniors Commission. I wholeheartedly support her appointment and believe she will bring both heart and insight to this important work.

Should you have any questions or need further information, please feel free to contact me.

Sincerely,

Dorinda Borer

City of West Haven 355 Main Street West Haven, Connecticut 06516

City Hall 1896-1968

June 16, 2025

Mr. Nicholas Pascale Chairman, West Haven City Council 355 Main Street, 3<sup>rd</sup> Floor West Haven, CT 06516

Dear Mr. Pascale,

I am pleased to submit for the West Haven City Council's consideration a request that the City of West Haven (the "City") sell the following two (2) properties to the West Haven Housing Authority, d/b/a Savin Rock Communities, Inc. ("SRC") for fifty thousand dollars (\$50,000):

- A 0.25-acre property located at 1185 Campbell Avenue with a City map/lot designation of map 60 and lot 124; and
- A 0.18-acre property located at 1189 Campbell Avenue with a City map/lot designation of map 60 and lot 122.

These two properties border the driveway of 1187 Campbell Avenue which is also known as "The John Prete Building". In addition to ensuring that the property remains clean and generating one-time revenue for fiscal purposes, SRC has agreed to placing a deed restriction on both properties, which will require SRC to preserve both properties as "Open Space" for as long as it owns them.

Thank you for considering this request at your earliest convenience. Please let me know if you or your colleagues have any questions or need further information from me or any members of my administration prior to considering this request. In the meantime, I respectfully would ask that you promptly refer this request to the West Haven Planning & Zoning Commission for an advisory report which I understand you will need, pursuant to Connecticut General Statutes Section 8-24, to consider fully my request at an upcoming City Council meeting.

Sincerely,

Dorinda Borer

Re: Offer by Owner to Accept Title to 164 Roosevelt Avenue, West Haven, Connecticut

Dear Chairman Pascale,

I would like the above matter to be placed on the City Council's Agenda for the June 23, 2025, Regular Meeting.

The City has received an offer to transfer title from the current owners to the City of West Haven for the real property located at 164 Roosevelt Avenue in West Haven, Connecticut. This is a vacant lot consisting of .07 acres, which is land locked.

The owners have indicated that they are offering the vacant lot to the City because they can no longer pay the taxes and insurance on the property.

Please have this matter placed on the next agenda so the City Council can decide whether to accept the offer, or not.

Thank you,

Michael J. Ajello

Deputy Corporation Counsel
