Harriett C North Conference Room
6:00 pm

I Call to Order

II Roll Call

III Pledge of Allegiance

IV Review of Minutes

V Public Input

VI Economic Development Update - Steve Fontana and Kathleen Krolak

VII New Business – Discuss agenda planning for upcoming meetings and 1-2 items to spearhead for the year

VIII Adjournment

Monthly Meeting planning: Host 2 -3 public forums where residents are invited to learn more about business development and programs available to help improve the economy and vibrancy of the city (*Ongoing*)

- City beautification update - Invite Public Works to provide an update on beautification projects across town and the resources available to residents; see if representatives from the Garden Club, community gardens etc. can also present opportunities for residents to ask questions about, support and be aware of
- Shoreline update - Invite the Land Trust, Save the Sound, bird sanctuary and other shoreline restoration and preservation organization to provide updates on their initiatives and how the community can help to support/partner with them to support community activities
- Business update - Invite economic development director and planning and zoning to provide an update on available parcels and plans underway
