

West Haven Library

COLLEEN BAILIE, Executive Director

WEST HAVEN, CT 06516

To all Patrons:

As you are aware, the state is experiencing an outbreak of the coronavirus, COVID-19. This is a respiratory illness, spread from person to person and occurring in countries around the world.

The West Haven Library is committed to well-being of all West Haven residents, patrons, staff, and volunteers. After March 13, we have made the difficult decision to close the library to the public until such time as it is safe to open again. Staff will be available via email and phone to answer any questions.

All fines will be waived while we are closed to the public.

In the meantime, you can still access our website for digital content via Libby (Overdrive), Hoopla, and RBDigital. Please do not hesitate to contact us with questions in how to utilize these services.

For more information on COVID-19, please refer to our website resources section for links to the City of West Haven's Health Department, Center for Disease Control and World Health Organization. Please be cautious, and if you are ill stay home. If need be, call the library to renew materials.

Take care—
