The City of West Haven recognizes that diversity improves civic engagement, which strengthens communities by building more equitable outcomes. Therefore, The City of West Haven is seeking volunteers to join its Sustainability Team. The City has partnered with SustainableCT, a volunteer certification program. This is an effort for The City to become a more viable community by demonstrating best practices that benefit all of its residents. As a team member, you will engage with the community with the purposes of building new relationships, collaborations, and promote a better quality of life for all current and future residents.
